

I listen to K-LOVE radio locally on 94.3FM. I live in W. Chicago, IL and K-LOVE is the best station in my area. It comes in clearly and is a Christian based station. I would be upset if K-LOVE was taken off the air and replaced by another type of station. I love the wholesome morning show, the excellent music and the fact that it is commercial free (because it is listener supported). Finally, I believe that retaining K-LOVE radio as a station that everyone can safely listen to is critical to our society. To be able to have helpful, encouraging words, uplifting, soul searching music at the push of a button is WONDERFUL! K-LOVE is one of a few remaining programs that are really worth listening to. Please let K-LOVE continue. Thank you!
